Two Miraclelean® Griddles and 3 Top-Side™ Cooking Heads for a new Zo's in MI!

Zo's Good Burger rose from an idea built by three brothers with a desire for tasty Halal burgers sourced from fresh, local products.

From its early start in a gas station in East Dearborn providing city-style burgers, Zo's has now expanded to its fourth fast-casual style location in the suburbs of Detroit, in Canton, MI.

Zo's Burger options include quarter pounders and sliders, a black bean burger, chicken and fish sandwiches and wraps. Top your burger off with cheese sticks, onion rings, mushrooms, coleslaw, caramelized onions, mac n cheese bites, grilled jalapeño poppers and more!

Our thanks to Jim Schulte, of **Food Tech Group**, for his help with completing this project.

Very Truly,

Eliza Keating
President

A Keating 36x30 Miraclelean® with 3 Top-Sides and a 48x36 natural gas Miraclelean® Griddle for Zo's Good Burger in Canton.
