2 New Miraclean® Griddles for Eustace High School!

Eustace High School, home of the Bulldogs, located in Eustace, Texas, about 60 miles east of Dallas.

Students will be starting the new year in a brand new high school. The new cafeteria and the media center have a unique concept similar to an upscale bookstore. The media center will transition into the cafeteria and includes a coffee bar that will be operated by students.

Eustace purchased two Miraclean® Griddles, a 30x30 and a 36x24 natural gas unit for their new cafeteria.

Our thanks to **Bill Dickie Enterprises**, our rep in Texas, for their help with this project.

Very Truly,

Eliza Keating
President
