New Miraclean® Griddle Installation at the MetLife Corporate Headquarters in New York City

48x30 natural gas Miraclean® Griddle installation at MetLife Corporate Cafeteria, New York, NY

Nothing delivers like Gas cooking.

Vintage Keating ad from the 1960's, with the famous Pan Am Building, now MetLife, in the background. Pictured in the ad was our rep at the time, David Goldstein.

There is a new 48x30 Miraclean® Griddle installation in the corporate cafeteria of MetLife, located on the 3rd floor of the 59 story MetLife Building, formerly the Pam Am Building, in New York City.

Our congratulations to Mike Klatman and TD Marketing Co., our sales representatives in New Jersey, on a job well done.

Very Truly,
Eliza Keating
President
